

**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNAVOIDABLY UNDER 37 CFR 1.137(a)**

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. An adequate showing of the cause of the delay, and that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(a) was unavoidable, is enclosed.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

I hereby state that the Office Action mailed August 28, 2006 was not received by me or by anyone else at this office. I hereby attest that we have conducted a search of the file jacket and docket records and that this search indicates that the Office communication was not received. I hereby state that the entire delay in filing the required reply from the due date of the reply until the filing of this petition was unavoidable because we did not receive the Office Action. We only became aware of the Office Action when I received a telephone call from the Examiner after the date upon which the application was considered abandoned inquiring as to whether or not we intended not to file a reply. We then promptly filed this petition.

A copy of the docket record where the non-received Office communication would have been entered had it been received and docketed is attached hereto. In addition, a copy of the log of communications received from the Office in which the non-received Office communication would have been entered had it been received is also attached hereto.

(Please attach additional sheets if additional space is needed.)
